

To whom it may concern:

Regarding your inquiry into the relationship between FastSpring and FastSpring Payouts:

- FastSpring Payouts uses Hyperwallet, a Paypal service, as a **third party Financial service provider to issue payments to FastSpring payees.**
- Hyperwallet facilitates the transfer of funds from FastSpring to the payee.
- For payees receiving payment via FastSpring Payouts, the ultimate payer is FastSpring.

The relationship between Hyperwallet and the payee can be found in [Hyperwallet Terms and Conditions section 1.1., Hyperwallet and You.](#) Also see [FastSpring Authorized Transfers of Controller Personal Data.](#)

Sincerely,

A handwritten signature in black ink that reads "Beth Thorpe".
