Notice to Vendors

1. Massachusetts General Laws assume that all gross receipts of a vendor from the sale of tangible personal property and services are from sales subject to tax, unless the contrary is established. The burden of proving that a sale of tangible personal property or service by any vendor is not a retail sale is placed upon the vendor unless he/she accepts from the purchaser a certificate declaring that the property or service is purchased for resale.
2. A resale certificate relieves the vendor from the burden of proof only if it is taken in good faith from a purchaser who is engaged in the business of selling tangible property or services and who holds a valid Massachusetts sales tax registration.
3. The good faith of the vendor will be questioned if he/she has knowledge of facts which give rise to a reasonable inference that the purchaser does not intend to resell the property or services. For example, knowledge that a purchaser of particular merchandise is not engaged in the business of selling the kind of merchandise or service he/she is purchasing under this certificate would constitute grounds to question the good faith of the vendor.
4. The vendor must make sure that the certificate is filled out properly and signed before accepting it.
5. The vendor must retain this certificate as part of his/her permanent tax records.

If you have any questions about the acceptance or use of this certificate, please contact: **Massachusetts Department of Revenue, Customer Service Bureau, PO Box 7010, Boston, MA 02204, or call (617) 887-MDOR or toll-free, in-state 1-800-392-6089.**

Notice to Purchasers

1. This certificate is to be used when the purchaser intends to resell the tangible personal property or service in the regular course of business. Manufacturers claiming an exempt use of the materials, tools and fuel which will be used in the manufacture, processing or conversion of tangible personal property should use Form ST-12, Exempt Use Certificate. Tax-exempt organizations making purchases for other than resale are to use Form ST-5, Exempt Purchaser Certificate.
2. The purchaser must hold a valid Massachusetts vendor registration. If you need to apply for a registration, go to mass.gov/dor and click on MassTaxConnect to complete an online application for registration.
3. This certificate must be signed by and bear the name and address of the purchaser and his/her Account ID number or Federal Identification number. This certificate must also indicate the type of tangible personal property purchased and resold by the purchaser.
4. If a purchaser who gives a certificate makes any use of the property other than retention, demonstration or display while holding it for sale in the regular course of business, such property will be subject to the Massachusetts sales or use tax, as of the time the property is first used by him/her.
5. If you are engaged in a service activity, and are unsure as to the eligibility of the tangible personal property being purchased for resale, see the regulation on Service Enterprises, 830 CMR 64H.1.1.
6. For further information about the use of resale certificates, see the regulation on Resale and Exempt Use Certificates, 830 CMR 64H.8.1.

Warning: Willful misuse of this certificate may result in criminal tax evasion sanctions of up to one year in prison and \$10,000 (\$50,000 for corporations) in fines.

GENERAL INSTRUCTIONS

An Exemption Certificate may be used only to claim exemption from tax upon a purchase of tangible personal property or services which will be used for an exempt purpose as stated on the front of this form.

A purchaser may file a blanket Exemption Certificate with the vendor to cover additional purchases of the same general type of property or service. However, each subsequent sales slip or purchase invoice evidencing a transaction covered by a blanket Exemption Certificate must show the purchaser's name, address and Business Registration Certificate Number for purposes of certification.

INSTRUCTIONS FOR PURCHASER

To purchase tangible personal property or services tax exempt, you must possess a valid Business Registration Certificate and you must properly complete this Exemption Certificate and present it to your supplier. To be properly completed, all entries on this Exemption Certificate must be filled in.

Your Business Registration Certificate (and any duplicates) may be suspended or revoked if you or someone acting on your behalf willfully issues this certificate for the purpose of making a tax exempt purchase of tangible personal property and/or services that is not used in a tax exempt manner (as stated on the front of this form).

When property or services are purchased tax exempt with an Exemption Certificate, but later used or consumed in a non exempt manner, the purchaser must pay Sales or Use Tax on the purchase price.

The willful issuance of a false or fraudulent Exemption Certificate with the intent to evade Sales or Use Tax is a misdemeanor.

Your misuse of this Certificate with intent to evade the Sales or Use Tax shall also result in your being subject to:

A penalty of fifty percent of the tax that would have been due had there not been a misuse of such certificate.

This is in addition to any other penalty imposed by the Law.

In the event you make false or fraudulent use of this Certificate with intent to evade the tax, you may be assessed for the tax at any time subsequent to such use.

INSTRUCTIONS FOR VENDOR

At the time the property is sold or the service is rendered, you must obtain from your customer this Certificate, properly completed, (or a Direct Pay Permit number issued by the West Virginia Department of Tax and Revenue), or the sale will be deemed a taxable sale, unless the property or service sold is exempt per se from Sales Tax. Your failure to collect tax on such taxable sale will make you personally liable for the tax, plus penalties and interest.

Additional information may be required to substantiate that the sale was for exempt purposes. In order for this Certificate to be properly completed, it must be issued by a purchaser who has a valid Business Registration Certificate and must have all entries completed by the purchaser.

A timely received certificate which contains a material deficiency will be considered satisfactory if such deficiency is subsequently corrected.

You must keep this certificate for at least three years after the due date of the last return to which it relates, or the date when such return was filed, if later.

You must maintain a reasonable method of associating a particular exempt sale to a customer with the Exemption Certificate you have on file for such customer.

INSTRUCTIONS FOR VENDOR AND PURCHASER

If you, as vendor or as a purchaser, engage in any business activity in West Virginia without possessing a valid Business Registration Certificate (and you do not clearly qualify for an exemption), you shall be subject to a penalty in an amount not exceeding \$100 for the first day on which such sales or purchases are made, plus an amount not exceeding \$100 for each subsequent day on which such sales or purchases are made.

Please begin using this Certificate immediately.
